Hunter Safety Rules

- Guns need to be carried in their cases to and from the shooting area.
- Guns and ammunition are to be stored separately.
- Always keep the muzzle of a gun pointed in a safe direction.
- Make sure the gun barrel is free from obstructions.
- Treat every gun as if it were loaded.
- Leave the safety on until you are ready to shoot.
- Guns must be unloaded when not in use.
- Actions must be open when not hunting or shooting.
- Always check the back stop.
- Make sure you are using the correct ammunition.
- Always wear eye and ear protection.
- Do not consume alcohol or drugs before or while shooting.
